

HIGH NOON OPTIMIST FUNDING REQUEST

Application for GRANT, SPONSORSHIP or DONATION

Every year, the High Noon Optimist Club (HNOC) donates funds to local children's organizations. Whether for a special project, a yearly program, or routine expenses, our club is happy to receive funding requests from organizations who meet the guidelines below.

GUIDELINES

The Board of Directors of the High Noon Optimist Club uses the following guidelines to help evaluate requests for funding:

Does your group/project benefit, have a significant effect on youth in the following areas?

- **Education** – e.g., school programming related to skills development, scholarships, fine arts, public speaking and essay writing.
- **Health** – e.g., mental and physical health, obesity, addictions and bullying.
- **Community** – e.g., community programming related to skills development, picnics, and family days.
- **Sports** – e.g., junior curling, junior golf, disabled sports and various house league sports, events and activities.

NOTE: If the answer to this question is “no,” your request will be denied since the mission of the club is to serve youth and/ or community.
